ZJ, DESIGN and Lining released a team of sneakers about the 2011 world forest year. The theme is "water" and "wood". The United Nations designated 2011 as world forest year. Water and wood are vital to human life and the earth's environment. ZJ DESIGN works with famous Chinese brand Lining to design a range of sneakers for this theme. The design is inspired by "water", "Sheng" and "wood" in the five elements of China. The two are interrelated. Two versions of the Logo are composed of seal evolution Chinese characters of "water" and "wood" and will, into which the concept of yin and yang. The upper pattern inspired the geographic distribution of water resources in the map and tree rings, a simple pattern relates to complicated things, especially the shoe side of the LN Logo and the letters "L", "N", "G", "Z" and "J" respectively into the upper laser pattern. The water version of blue means the source of life, and the pink in the wooden version means the flower of life. I hope that through this theme, people can be promoted to pay more attention to the sustainable development of the environment.
